

# Skip-A-Pay Program

You can now skip your loan payment two months during the remainder of 2011. You don't have to wait for the holiday season. Would Skip-A-Pay better suit your budget for home improvement projects, summer vacations, or even back-to-school expenses? You can choose any two months; each month skipped would have a fee of \$35.

Complete the information below and return it to the credit union with your check for \$35, or you may transfer the fee from your account. You can also return via interoffice mail or by fax, 419-471-1837.

The Skip-A-Pay program is not offered on home loans, VISA, or on loans that are not current. The skipped payment will be added to the end of your loan so you will have more interest than originally stated on your loan contract. Please call with any questions, 419-479-4040.
